

TRANQUIL MOMENTS BODY BUTTER

Moisturize. Soothe. Relax.

Stress relief and the ultimate moisturizer in one!

PRODUCT DESCRIPTION

Take skin hydration to the extreme with our nourishing Tranquil Moments Body Butter. It infuses skin with lasting moisturizers, while the fresh scents transport you to another world where peace, serenity and relaxation reign. Formulated with Shea Butter, Cocoa Butter, Sunflower Seed Oil and other soothing essential oils, our Tranquil Moments Body Butter delivers much needed moisture into the skin to condition, nourish and soften the body's skin.

Available for a limited time in three very popular fragrances:

Lemon Sorbet – Lemon is widely known for its calming, detoxifying, and sleep inducing properties, and is often used to treat skin disorders, stress, insomnia and tiredness. Relax and unwind daily with Nouveau's Tranquil Moments Lemon Sorbet Body Butter.

French Lavender – The health benefits of lavender essential oil include its ability to reduce nervous tension, aid in pain relief and enhance blood circulation. Use Nouveau's Tranquil Moments French Lavender Body Butter daily to escape some of life's tension and stress.

Tuscan Cedar – Cedar wood oil has a soothing, woody and spicy aroma, and it's considered to be very effective in reducing or relieving stress, anxiety and insomnia. Use Nouveau's Tranquil Moments Tuscan Cedar Body Butter daily to relax your mind and body.

APPLICATIONS

Apply to the palms of hands and massage into the entire body. A little goes a long way with this rich, soothing lotion.

For external use only. Avoid contact with the eye. If contact occurs, flush with water.
