

TRANQUIL MOMENTS BODY WASH

Cleanse. Relax. Refresh.

Essential oils bathe your skin in luxury.

PRODUCT DESCRIPTION

Wash away stress and discover serenity with Nouveau's pearlized Tranquil Moments Body Wash. Made with essential oils, this specially formulated Body Wash lathers into a rich foam to cleanse away impurities and pamper your skin. It's ideal for women and men.

Available for a limited time in three popular, soothing scents:

Lemon Sorbet -- Lemon is one of the most popular citrus fragrances in the world. Widely known for its calming, detoxifying, astringent and sleep inducing properties, lemon oil is often used to treat stress disorders, infections, skin disorders, insomnia and tiredness. Get gloriously clean, relax and unwind with Nouveau's Tranquil Moments Lemon Sorbet Body Wash.

French Lavender -- The health benefits of lavender essential oil include its ability to reduce nervous tension, aid in pain relief, disinfect the skin and scalp and enhance blood circulation. Lavender's Latin name *Lavare*, means "to wash" due to its clean aroma. Use Nouveau's Tranquil Moments French Lavender Body Wash daily to escape some of life's tension and stress.

Tuscan Cedar -- Used in ancient Egypt and Greece, Cedar wood essential oil has a soothing, woody and spicy aroma and is widely known for its preservative and therapeutic qualities. It has detoxifying properties and a sedative effect that helps the body and mind relax. Cedar wood oil is considered to be very effective in reducing or relieving stress, anxiety and insomnia. Use Nouveau's Tranquil Moments Tuscan Cedar Body Wash daily to relax your mind and body.

APPLICATIONS

To use it in the bath or shower simply apply to a wet sponge or towel and gently rub all over your body. Then rinse. Body Wash can also be used as an aid to shaving legs and underarms... and as a delightful hand soap. Follow with Tranquil Moments Body Scrub and/or Body Butter.

For external use only. Avoid contact with eyes. If contact occurs, flush with water.
