

NOUVEAU™

[**BANISH UNWANTED LINES**]

LIP THERAPY

Say "good riddance" to dry, chapped, thin lips and unwanted lines around your mouth. Use advanced Lip Therapy to achieve softer, fuller, more sensuous lips and a younger-looking smile!

Nouveau's Lip Therapy multitasks as an invigorating lip exfoliator, intensive moisturizer, collagen production agent and lip rejuvenator. In just 2 to 4 weeks, lips look fuller, feel smoother and are more defined, plus the vertical lines around the lips are visibly diminished.

Enhance your smile with Nouveau's Lip Therapy.

Nouveau's

LIP THERAPY 0.3 FL.OZ. (10 ML)

NOUVEAU'S INTENSIVE LIP THERAPY IS SCIENTIFICALLY FORMULATED TO:

- Help eliminate dry, chapped skin on lips and around the mouth
- Smooth and fill in fine lines
- Increase moisture retention, hydrate and soften lips
- Restore and protect lips
- Increase the fullness and thickness of lips by stimulating collagen production
- Provide a smoother surface for lip color application
- Help prevent lip color from bleeding and feathering
- Increase the production of hyaluronic acid
(the body's natural moisturizing agent that supports collagen)

HOW IT WORKS:

Nouveau's advanced Lip Therapy is scientifically formulated to increase the production of hyaluronic acid (the body's natural moisturizing agent that supports collagen) and stimulate cells to boost lipid production, which adds fullness, firmness and volume to the lips and fills in lines around the mouth. Extracts penetrate the skin to gently exfoliate dry, chapped lips. Urea repairs skin by promoting healing and deeply conditioning lips, while beeswax helps lock in moisture. In just 2-4 weeks, you'll experience softer, smoother, fuller, younger-looking lips!

HOW TO USE:

For maximum benefits, Lip Therapy can be used three times a day (morning, noon and night) on clean lips. Place a small amount on fingertip and gently massage into both upper and lower lip area. Wait a couple of minutes after Lip Therapy application before applying lip balm, sunscreen or lip color.

Ingredients: Water, Glycerin, Sunflower seed oil, Beeswax, Polybutene, Hydrogenated Polyisobutene, Anemarrhena Asphodelides root extract, Palmitoyl-1 palmitoyloxy-4 proline, Ginseng Extract, Arnica Extract, Chamomile extract, Ethylhexyl Palimate, Sorbiton Isostearate, Palmitoxl Oigopeptide, Tribehenin, Sodium Polystyrene Sulfonate, Sorghum bicolor stalk juice, Hydroxyethyl Acrylate/Sodium, PEG-40 Castor oil, Acryloylidimethyl Taurate Copolymer, Urea, Methyl Paraben, Propyl Paraben, Flavor, Dextrose, Maltodextrine, Sucralose
